Subject: Additivity Report Update

Good morning David, Lawrence and Ed,

We wanted to provide an update to you on the status of the Additivity Report. We have developed an initial revised version of the report based on the Ex. 5 Deliberative Process (DP) with David. As a group, we are now Ex. 5 Deliberative Process (DP) We will continue to focus on this part of the document development, until the document is ready for another round of internal review.

Thanks,
Glenn
